# OUR COMMITMENT REACHES BEYOND OIL & GAS.

EneGasLongmen JV Limited is a medium-sized energy and commodities company duly registered with Corporate Affairs Commission of Nigeria

Our product and services cut across sourcing, process and trade internationally on mineral Ores-Lead Ores, Zinc Ores, Lithium Ore, Tin, Columbites, Gold etc.

On the other hand, we also source/produce, process and distribute to a world wide market agricultural products such as Ginger, Cashew Kernel, Sesame Seed and Shea Butter Etc. & Crude Agricultural produce for export and import.

# Cont.

Furthermore, EnegasLongmen JV Ltd is involved in the sourcing and trading of Crude oil, refined petroleum and Gas products such as Gas-oil, Gasoline, Jet-Fuel, Base oil, LNG, LPG and Petrochemicals etc. in Nigeria and the sub-region.

We are also registered to carry out Bunkering services to Marine Assets (Rigs, offshore platforms, and vessels etc.) offshore for oil producers.

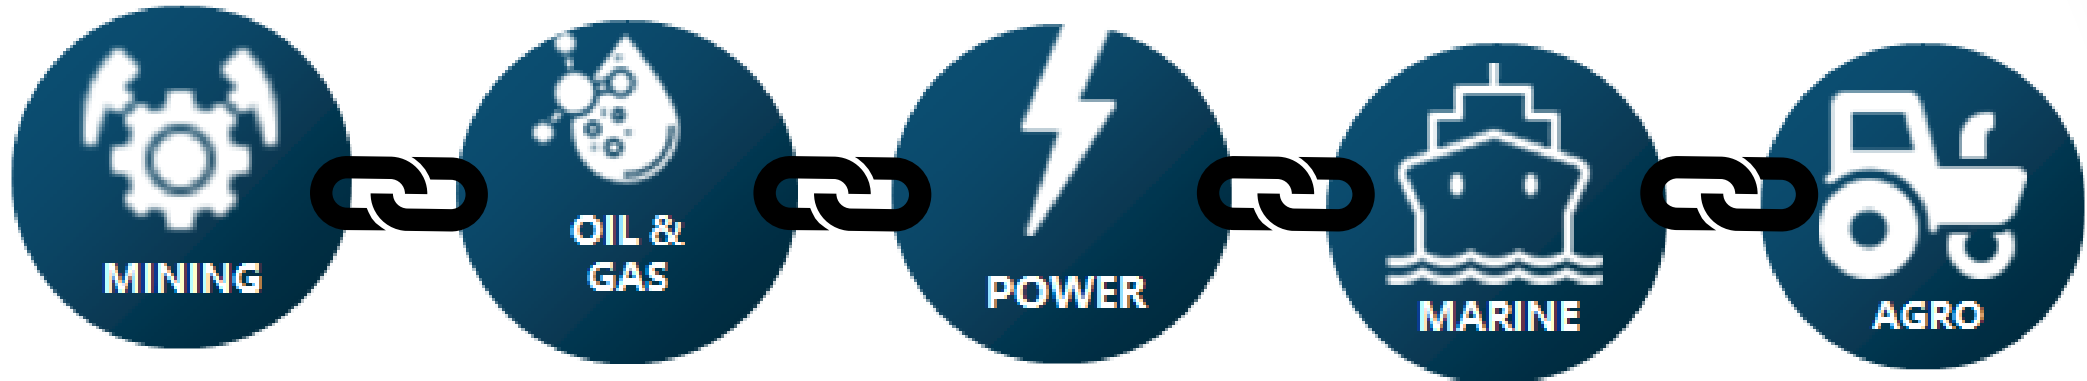

Under the power sector, we market and install electric Meters, Transformers, Isolators, Substations, Circuit Breakers (33KV-330KV), Battery Banks (200Ah-400Ah; 50VDC-110VDC) and Battery Chargers (50VDC-110VDC) approved by Nigeria Electricity Management Services Agency (NEMSA) and Nigeria Electricity Regulatory Commission (NERC) to DISCOS (Distribution Companies) and TCN (Transmission Company of Nigeria)

We also provide bespoke power generation solutions ranging from 2MW-10MW for Captive, Embedded and Off- Grid structure leveraging Gas Turbine and Mini-Hydro solutions.

Under General trading, we import & distribute life style products such as Wine, Apparels, laptop computers & phones and general goods such as Tiles and Building materials.

# Activities of the Group

(Our Trades)

# MINING

**EneGasLongmen JV Ltd.** is committed to develop its chrome mining business and grow its production, which provides a backbone support for its trading activity

Amongst the diversification plans, EneGasLongmen saw a major opportunity in various other mining arms, with particular emphasis in lead and zinc ore mining.

It has all the operational licenses for open pit production with the reserves of 1,550,000 mt. The value of this reserve is about 74,5 million USD

Zinc	Lead	Chrome	Copper
Tin Ore	Lithium	Columbite	Iron Ore

## SOURCING

We are your eyes, constantly monitoring the markets to find you the best deals for your business.

With our comprehensive network of petrochemicals and other raw materials suppliers in Africa, Americas, Europe, Middle East and Asia, we enable you to take advantage of shifts in trade and currency moves.

## BUNKERING

With our operational capability, along with our partners, we deliver goods at port, free trade zone warehouse or even to your plant's procurement point. We provide just-in-time delivery via our warehouse by streamlining your business. We decrease your cost of stock and liability while keeping our production humming. Raw materials are the primary cost of any production facility.

## STORAGE

We provide various flexible payment options that can facilitate your cashflow from sailing time to production.

## SHIPPING SERVICES

We provide related marine services including vessel chartering, Agent and Vessel Husbandry Services
